CALL TO ORDER

Chair Paulus called the January 12th 2021 meeting of the Bay Head Environmental Commission to order at 5:30 PM. The minutes of the December meeting were approved.

- ANJEC Goal Setting Workshop/webinar Wed. January 27. Dan Paulus to sent out link. All Commission members should attend this.
- NRI 2020-2021 Completed in draft from and approved. Forwarded to stakeholders in the Borough. Welcoming any comments or feedback.
- Flooding in the Borough of Bay Head and the role of the BHEC. Resident Paul Benziger 114 Metcalfe. Has noticed the flooding by his house has continued and is looking for possible solutions. Councilmember Cornell confirmed that the check valve have been installed correctly and seem to be working. Paul Benziger disagrees that the check valves have been working. Mr. Benziger asked what groups in town are in charge of the flooding issues and if they are keeping a records/data of flooding events. Paulus referred to the recently completed NRI, that documents know areas of flooding, this mapping would be presented at the next meeting. Tom Charlton- steps could be, identify who owns the problem, what steps can be taken, associated costs, long term & short term. It was suggested a spotter network of citizens could report flooding with times, dates and photos, measurements if possible.
